Welcome Aboard!

As America's Railroad, our core mission is to move people where they want to go in a safe and secure manner. Approximately 31 million riders chose Amtrak last year, indicating that intercity passenger rail is a travel choice Americans desire. Whether you are planning a short trip or a cross-country journey whose memories will last a lifetime, we want to ensure you have a wonderful experience.

Amtrak expanded its network a few months ago with the addition of new Thruway bus connections. Passengers on the Empire Builder can now reach points in southern Montana while travelers on the City of New Orleans, Crescent and Sunset Limited have access to major Gulf Coast communities in Mississippi and Alabama. Across the system, new equipment including electric locomotives and single-level long-distance cars has entered or will soon enter service, thereby providing greater reliability and comfort.

Frequent travelers may be aware of delays on some cross-country trains that begin or end their journeys in Chicago. Growing freight traffic, coupled with construction projects meant to improve the region's railroad infrastructure, have resulted in congestion around the city. Since Chicago is the hub of the North American rail system, problems there often ripple across the country.

Amtrak established a blue ribbon panel of rail and transportation leaders late last year to address these rail traffic performance issues. Working into the Spring, it will identify key infrastructure and operational improvements needed to restore optimal on-time performance for Amtrak trains. In the meantime, we appreciate the patience and understanding of our passengers, and please know that everyone at Amtrak is dedicated to providing you with a safe and pleasant journey.

As you go about planning your trip, this Timetable will be a useful tool, but remember that you can also visit us online at Amtrak.com or call us at 1-800-USA-RAIL for more information—a representative is available 24 hours a day. We look forward to seeing you aboard our trains in 2015!

Sincerely,

A handwritten signature in black ink that reads "Joseph H. Boardman".

President and Chief Executive Officer

ABOUT THE COVER

The *Ethan Allen Express* is captured crossing the Hudson River at Rogers Island on a handsome morning, moments after its station stop at Fort Edward-Glens Falls, New York, by Steven K. Ostrowski, Amtrak Exhibit Train Trainmaster. Beginning its scenic journey at Rutland, Vermont, the *Ethan Allen Express* travels daily to Pennsylvania Station in New York City, some 241 miles to the south—and back. The *Ethan Allen Express* is financed through funds made available by the Vermont Agency of Transportation, and by the New York State Department of Transportation.

HOW TO USE THE TIMETABLE

STEP-BY-STEP TRAVEL PLANNING

HOW TO USE THE TIMETABLE

- Where frequent service is available, the schedule may continue for several pages, so keep following it to find the most convenient time for you.
- For specific station information, refer to the alphabetical list of Amtrak stations on pages 8-15.

CHECK THESE IMPORTANT POINTS

- DAYS OF OPERATION:** During holiday periods, days of operation may vary. Be sure to check “Will Also Operate” and “Will Not Operate” areas to determine holiday schedules.
- TRAIN SERVICE SYMBOLS:** Services applicable to each train are noted by symbols across the top of each train schedule. Explanations for the symbols and reference marks appear below the schedule itself.
- DIRECTIONAL ARROW:** This arrow tells you what direction the trains are traveling. In this example, the direction of travel is from Vancouver, BC to Seattle, WA.
- SHADING:**

Shading Key	
Acela Express: Service in the Northeast Corridor.	
Daytime Train: Daytime train with coaches (reserved or unreserved) and walk-up food service where noted in the service notes and symbols at the top of each schedule column. Some trains also offer Business class service where noted. These trains generally do not travel overnight, although they may travel during some early morning or late night hours.	
Overnight Train: Sleeping cars, coaches and sit-down dining on full service overnight trains. Most trains also have snack and beverage service in a Lounge car.	
Thruway Connection: Amtrak Thruway Bus, Taxi, Van, Ferry or Train service for which reservations and through ticketing are available.	
Connecting Train: Connecting trains shown in a timetable grid for the convenience of the reader. The connection may be a reserved or unreserved train operated by Amtrak.	

- SYMBOLS AND REFERENCE MARKS:** Explained at the bottom of each page.

- Bus stop
- Checked baggage
- Flag stop. Reserve 24 hours in advance.
- Airport connection
- Ferry connection
- Customs & Immigration checkpoint

- TIMES:** Standard print indicates a.m. departure/arrival. Bold print times indicates p.m. departure/arrival.

- TIME ZONES IN WHICH THE TRAIN OPERATES:**

Amtrak operates trains in all four continental North American time zones: Eastern, Central, Mountain and Pacific. The times shown in this Timetable reflect prevailing local time for arrivals and departures at each location whether Standard Time or Daylight Saving Time is in effect. Time zones are indicated in the tables for trains operating through two or more time zones; no time zone indication is associated with trains operating solely within one time zone. Generally one sets his or her watch back one hour when crossing a time zone traveling west and ahead one hour when crossing a time zone heading east.

- TEXT BOX:** The text boxes outlined in orange communicate anticipated operational changes that will affect schedules during the life of the timetable.

HOW TO BOOK YOUR TRIP WITH AMTRAK

PLACING YOUR RESERVATION

To take advantage of the best fares, and to reserve the accommodations you prefer, it is best to book early. See pages 120-121 for passenger discounts. Amtrak will quote and price your travel at the lowest fare available at the time your reservation is made. Provide your Amtrak Guest Rewards® number at the time you make your reservation to earn points for future travel. If you change your reservation, it will be repriced at the best fare available at the time you make the change.

Get additional information and make reservations at Amtrak.com (credit card payment required), stop by any Amtrak ticket office or contact your Travel Agent. You can also make reservations 24 hours a day at 1-800-USA-RAIL; TDD/TTY service is available at 1-800-523-6590.

Reservations are subject to cancellation if not paid by the date assigned when reservations are made. A reservation may also be cancelled if you have not yet picked up your tickets or if you board at a station other than the one from which you booked your departure.

If you pay the conductor on the train, you will pay the highest published fare, even if a lower fare is in your reservation. Avoid this by paying with your credit card over the phone at 1-800-USA-RAIL, at Amtrak.com, or at a Quik-Trak kiosk. You may also pay with a credit card or by other means at an Amtrak ticket office or at a travel agency. See “Purchasing Your Ticket”, this page, for further information.

GET OFF THE PHONE FASTER! CALL AMTRAK AT 1-800-USA-RAIL AND SPEAK WITH “JULIE”

No need to press buttons or wait for an agent. Just speak to Julie, the Amtrak automated agent. Using state-of-the-art voice recognition technology,

the system hears what you say. Julie is standing by to take your call 24 hours a day, 7 days a week.

Use Julie to:

- Check train status
- Check schedules and fare information
- Make a simple reservation
- Give credit card information for payment of reservation

Julie can be interrupted if you already know the answer to a question she is asking before she completes the question.

You can be transferred to an agent if you want to bypass the automated system by saying “agent” or pressing zero. If you are transferred to an agent, the information Julie has collected to that point is sent along with the call so that there is no need to repeat.

If you are modifying existing reservations, booking travel to Canada or on the Auto Train, making Sleeping car reservations or trips that require more than one connection in a direction of travel, or requesting special services or accessible space, you will need to talk with a live agent.

For all your other travel needs, Julie will assist you.

PURCHASING YOUR TICKET

You may purchase your Amtrak ticket with a credit card [MasterCard, Universal Air Travel Plan card (UATP), American Express, Discover and VISA] on Amtrak.com, over the phone at 1-800-USA-RAIL, at Quik-Trak kiosks and at ticket offices. Debit cards with credit card logos (except those requiring a PIN) are accepted at Quik-Trak kiosks and ticket offices, and cash is accepted at ticket offices. You will be required to show acceptable identification when purchasing your tickets. Personal checks are not accepted. If no other ticketing option is available, you may pay your fare to the conductor on the train but you will be charged the highest rail fare for that train segment, even if it has been reserved at a lower fare. Credit cards and cash are accepted. Please see pages 129-130 for further information.

PASSENGER ID POLICY

Amtrak passengers are required to provide acceptable identification when purchasing tickets, whether at the station or on board the train, and while checking baggage. Valid acceptable identification includes: valid state-issued photo driver's license; state-issued photo ID for non-drivers; passport; government agency ID; and other specific forms of identification. Ask agent for details.

Amtrak, in compliance with the Federal Transportation Security Administration (TSA), has a random passenger identification verification policy on board trains. Adult passengers (18 years and older) are randomly asked to produce acceptable identification by conductors on board. The random identification checks are based on a passenger's ticket number.

CANCELLATIONS

Many tickets are refundable before travel begins; a refund service charge normally applies, or you may in most cases apply the value toward future travel without a service charge. Some discounted tickets are non-refundable once purchased. Sleeping accommodations cancelled fewer than 15 days prior to departure (but before actual departure) are non-refundable but the value may be applied toward future travel within one year.

If reservations are not cancelled prior to travel, the entire fare for all segments in that trip will be forfeited entirely. Exceptions exist for late trains. Please see page 130 for further information.

BEFORE YOU GO

Verify your departure time: Before going to the station, it's a good idea to verify departure and arrival times for your train. Call 1-800-USA-RAIL or visit Amtrak.com.

AMTRAK QUIK-TRAKSM SELF-SERVE TICKETING

No More Waiting in Line

Skip the line and enjoy the ride. Quik-Trak self-serve ticketing kiosks give passengers convenient and easy access to Amtrak tickets. At Quik-Trak kiosks, you can purchase tickets to any city listed on the kiosk, or you may ticket any reservation previously made. One-way, round-trip and multi-ride tickets are available. If you already have a reservation, simply have your Amtrak.com confirmation page (or your reservation number and credit card) available and you may pick up your ticket promptly

Advance Payment Option

Use your credit card to reserve and pay for your ticket online at Amtrak.com or call 1-800-USA-RAIL and speak with Julie, our automated phone agent, or with an Amtrak reservation agent. If you provide an email address, your confirmation and your eTicket documents will be sent to you. You may open the file containing your eTicket and print it at home, display the PDF on your mobile device or display it through the Amtrak app for iPhone, Android or Windows Phone. If you are unable to receive and print email, make note of your reservation number, go to a Quik-Trak kiosk, and print your eTicket documents there.

Pick Up Your Ticket

If you made your reservation at Amtrak.com, your eTicket document will be sent to the email address you gave at the time of booking. Print this at home, at the office, at your hotel, or elsewhere, and present it to the conductor on the train for scanning. If you change your reservation after printing this document, please reprint it again, if possible. At some stations where there is gate control, the gate attendant may want to see this document to make sure you are boarding the train for which you have a reservation. You can also display your eTicket on your smartphone, either as an email attachment or through the Amtrak mobile app, available for iPhone, Android and Windows Phone. You may also obtain your eTicket documents at a Quik-Trak kiosk or from a station ticket agent. There are some Thruway services in the Amtrak system that still require paper value tickets and if your reservation contains one or more of those services you will need to stop by the Quik-Trak kiosk or a ticket counter to obtain them. In that case you will receive a confirmation document through email with a bar code that can be scanned at the kiosk.

Available in Many Stations

Amtrak has almost 300 Quik-Trak kiosks available at more than 200 Amtrak stations. To learn more about Quik-Trak kiosks, including where they are available, visit Amtrak.com, consult our Station Location pages in this timetable or ask an Amtrak representative.

Trails and Rails comes to the Northeast Corridor

In cooperation with the National Park Service, volunteers from National Mall and Memorial Parks will be on select trains from early Spring until the end of the year. The volunteers will be available to answer questions and provide information on National Park Service sites and other places of interest along the busy Northeast Corridor. Seasonal programs are subject to change. Visit www.nps.gov/trailsandrails and www.amtraktoparks.com.

routes in the midwest

Amtrak in the Midwest means not only making connections between Eastern and Western long-distance trains in Chicago at the center of our national system — it also means frequent daily departures between Chicago and key cities in the five-state area including Illinois, Indiana, Michigan, Missouri and Wisconsin.

Travel for business... travel for pleasure... travel to visit relatives and friends... or travel between home and school – with the choice of Business or Coach class. With snacks, sandwiches and beverages in the Café car and AmtrakConnect Wi-Fi on most trains, Amtrak is the sensible and comfortable alternative to driving between key cities in the Midwest.

Students from the many colleges and universities in the region can select from among a large number of frequent departures. And when they show their Student Advantage or International Student Identity Card, they can save 10% on most rail fares. (See page 121 for more information.)

Thruway Service has frequent daily departure times from Chicago and St. Louis to key cities in the five-state region of Illinois, Indiana, Michigan, Missouri and Wisconsin. And if you're headed north from Chicago, there's Thruway bus service from Milwaukee to Wausau on one route, Kalamazoo to Sault Ste. Marie, and Upper Michigan

Peninsula destinations on another route. Or you can go as far south as Nashville from Chicago. With hundreds of destinations from which to choose, getting there on Amtrak and Thruway connecting services makes your travel experience easier. PLANNING TIPS FOR TRAVEL ON AMTRAK

1. Arrive at your departure station at least 30 minutes before your train departs. If you need services such as ticketing, baggage or passenger assistance, arrive at least 45 minutes before departure time. Make sure all your luggage is properly labeled with your name and address, and bring acceptable identification.
2. Pack wisely. Carry-on luggage is limited to two bags per person. You may check additional baggage through to your destination on many trains.
3. Keep track of your belongings. Store carry-on items in overhead luggage compartments, and be sure to collect all of your belongings before you leave the train. Report any suspicious people, packages or activity to a train conductor, station personnel or the Amtrak Police Department at 1-800-331-0008.
4. For planning your trip or to request train-specific timetables or an extra timetable for a friend, call 1-800-USA-RAIL, download what you need online at Amtrak.com or order online.
5. If you are planning to spend more than an hour on board, bring your favorite bestseller and sit back, relax and enjoy every word in comfort. Bring your laptop and create the short story you've always wanted to write.
6. Traveling with children can be fun for everyone. To keep them busy, we suggest bringing books, toys, games, crayons or markers and paper and perhaps a CD or DVD player with headphones and their favorite music or videos. To maintain a pleasant atmosphere for all passengers, headphones must be used when listening to any device that emits a sound such as computers, smartphones, MP3 players, DVD players, etc. Such devices or headphones may not emit any sound audible to others.
7. The main focus of Amtrak is to ensure our passengers have a safe travel experience. Please watch your step boarding and leaving the train. Use the handrails when moving about on board and wear shoes at all times when walking about the train. Take a few minutes to read the Amtrak Safety Instruction card for important information. Never try to board or exit the train while it is moving.
8. Amtrak service attendants are there to assist you throughout your trip to make your trip more enjoyable. Tipping is certainly not required, but it is a much-appreciated way to let employees know they have made your trip enjoyable.
9. Look for scenic photo opportunities. Our trains pass many beautiful and interesting sights, so bring your camera. If you use film, we recommend medium speed (ISO 200 or higher).
10. Train travel gives you plenty of room to move around, stretch your legs and chat with fellow travelers. Hungry for a snack? Visit the Café car, which offers a variety of sandwiches, snacks, and beverages. On long-distance trains, enjoy the Dining car — a family-style restaurant serving freshly prepared foods. You'll most likely be sitting with other travelers who are also enjoying their trip.

Enjoy the journey.®

GLOSSARY OF AMTRAK SERVICES AND AMENITIES

Amtrak trains and Thruway Service routes connect more than 500 destinations, offering a variety of services and amenities tailored to each route. Following is a summary of services available on our trains and at our stations, as well as explanations of service symbols that appear throughout this timetable.

AMTRAK TRAIN SERVICES

Acela Express

Amtrak *Acela Express* trains offer premium, limited-stop service between Boston, New York and Washington, featuring high-speed trains with comfortable seating, large windows, and the ability to tilt around curves for a smooth ride. *Acela Express* offers First class service with complimentary meals and beverages served at your seat, and Business class service with a Café car nearby offering a variety of food and beverages for sale, and, on some trains, at-seat cart service. Both classes of service feature comfortable seating, plenty of legroom, large windows, sizable overhead storage, adjustable reading lights, AmtrakConnect® Wi-Fi, electrical outlets under the window by your seat, and either large fold-down tray tables that will fit your laptop computer, or conference tables between facing seats.

Other corridor/daytime trains

These include *Northeast Regional*, *Keystone Service*, *Empire Service*, *Amtrak Downeaster*, *Wolverine Service*, *Blue Water*, *Pere Marquette*, *Lincoln Service*, *Illini* and *Saluki*, *Carl Sandburg* and *Illinois Zephyr*, *Missouri River Runner*, *Hiawatha Service*, *Heartland Flyer*, *Pacific Surfliner*, *Capitol Corridor*, *San Joaquin* and *Amtrak Cascades*, as well as medium-distance day trains such as the *Pennsylvanian*, *Carolinian*, *Palmetto*, *Vermont*, *Adirondack* and *Maple Leaf*.

These services offer comfortable coach seating, plenty of legroom, overhead storage, reading lights, electrical outlets under the window by your seat, and fold-down tray tables. A Café car is provided on most trains offering a variety of food and beverages for sale. The Conductor will announce the location of the Café car or can direct you to it. Many of these services offer, in addition, a reserved Business class car, which features additional legroom, complimentary non-alcoholic beverages, and a newspaper (amenities may vary by service). See the timetable grids indicating trains that offer Business class and Café service.

Long distance trains

Amtrak long-distance trains are designed to give passengers a comfortable and pleasant travel experience both by day and overnight. Sleeping cars offer a variety of room sizes including rooms accessible to passengers with mobility impairments, and coach cars offer reclining seats, fold-down tray tables, reading lights, and electric outlets under the window. Food service is offered in Lounge cars and Dining cars (on some trains these services may be offered from the same car). There are two types of long distance trains.

Superliner: These bi-level cars operate on long-distance trains west of Chicago and New Orleans, as well as on the Washington-Chicago *Capitol Limited* and the Lorton, Virginia-Sanford, Florida *Auto Train*. Sleeping cars, Coach cars, Lounge cars, and Dining cars are featured. Most passengers ride in the upper level, affording a panoramic view of the scenery; lower level accommodations, as well as space accessible to passengers with mobility impairments, are also offered by request. See page 78 for room sizes and amenities.

Single level/Viewliner: These cars operate on some long distance trains east of Chicago. Viewliner Sleeping cars include a window for the upper berth passenger, coach cars, Lounge cars, and Dining cars are featured. See page 50 for room sizes and amenities.

Thruway Service

Thruway Service extends the reach of Amtrak services to many more cities than those that can be served only by train. These services, mostly by bus but occasionally by van, taxi, commuter train or ferry, make coordinated connections with Amtrak trains. In most cases the connection is at the Amtrak station, and through fares are often available (prior ticketing required to obtain through fares). Accessible accommodation on Thruway services can vary and must normally be reserved in advance so the proper vehicle can be provided; contact Amtrak for details.

Non-Thruway services

This timetable contains, as information, selected connecting services that are not part of the Amtrak or Amtrak Thruway system. These may operate from a different terminal, and the individual carrier's fares and policies apply. If Amtrak sells tickets for such services, Amtrak acts only as the selling agent for these carriers and disclaims liability in connection with services performed by these carriers. Contact Amtrak or the carrier for more information.

Flag Stop

Train stops only when passengers are present, either on the train or station platform, and ticketed to and/or from this station. Reservations are required. Boarding passengers should reserve at least 24 hours before departure.

Airport Connections

Several Amtrak stations (BWI Airport, Newark Airport, Milwaukee Airport, Burbank Airport) are near or adjacent to their respective airports, with connecting service provided by the airport. In most other cities with airports that have scheduled air carrier service, a variety of transfer options between the Amtrak station and the airport are available; contact Amtrak or the airport for more information.

Charter/Group Services

Amtrak Charter Services can accommodate your group with a privately chartered train to a variety of destinations, tailoring the consists and on board service to meet your needs. For more information call Amtrak at 1-800-USA-1GRP.

Host Railroads

On most of the Amtrak route system outside of the Northeast Corridor, Amtrak trains operate over track owned by freight and commuter railroads. Amtrak personnel operate the trains, and the host railroads provide and maintain the track over which they operate. The second page of each section in this timetable indicates the various host railroads for trains within that section.

ACCOMMODATION TYPES

Coach class

Coach class is available on all trains except *Acela Express*. Amtrak coaches feature wide, comfortable seats with fold-down trays, overhead storage, individual reading lights and at-seat electrical outlets. Most coach seating is reserved (by train, not by individual seat). On Superliners, a few seats are on the lower level, near the entrance and the restrooms. These are not considered accessible seats and may be reserved by anyone on a first-come, first-served basis. A few short-distance corridor

Acela First class

Superliner Coach class

Acela Business class

services (*Capitol Corridor*, *Pacific Surfliner*, *Hiawatha Service*, and *Keystone Service* between Harrisburg and Philadelphia) have unreserved seating, where tickets are valid on any train unless restricted by the fare paid. Every effort is made to provide sufficient seats, but seating is not guaranteed. The *Keystone Service* and *Pacific Surfliner* corridors operate on a reserved basis during the Thanksgiving holiday period.

Business class

Business class on *Acela Express* trains offers reserved seating (by train, not individual seat), with extra legroom, individual reading lights, fold-down seat trays, at-seat electric outlets, and ample overhead storage. On many other corridor trains and some medium-distance day trains, reserved Business class operates in addition to Coach class and offers the same amenities as *Acela Express* Business class; in addition, a complimentary newspaper and beverage (offerings may vary by train) are included, except on *Empire Service* trains that operate only between New York and Albany, and on the *Maple Leaf* between Niagara Falls and Toronto.

Acela Express First class

Acela Express First class offers spacious seating with at-seat service in a quiet, elegant atmosphere. A complimentary meal appropriate to the time of day, and beverages including beer, wine by the glass and premium spirits, are included in your fare. Hot towels and a complimentary newspaper are also included. *Acela Express* First class passengers have same-day access to ClubAcela lounges in Washington, Philadelphia, New York and Boston.

Accessible seating

Accessible seating is provided in Coach class, Business class and *Acela Express* First class for passengers who use wheelchairs or have mobility impairments that require these seats. You may reserve a seat that allows you to transfer to a seat from your wheelchair, or reserve a space for your occupied wheelchair. On Superliner trains, accessible seating is in the same area as the non-accessible lower level seats, near the restrooms; meals will be brought to you if you are unable to use the stairs to the upper level. If you have a companion that will assist you enroute, this person may also occupy a seat in this area so that you may travel together. Contact Amtrak for details about accessible seating.

Sleeping cars

All trains: Amtrak operates Sleeping cars on most overnight long-distance trains. Sleeping cars offer private rooms with seating during the day and beds at night. Meals in the Dining car are included, as well as bottled water, morning wake-up service including coffee, tea or juice, and all necessary bedding. A wash basin, toilet and shower are either within your room in Viewliner accommodations and Superliner Bedrooms, or nearby for Superliner Roomettes. Sleeping car passengers have same-day access to ClubAcela, Amtrak Metropolitan Lounge, or separate Sleeping car passenger waiting rooms, where available, at boarding or detraining stations.

Superliner Sleeping cars: Superliner bi-level Sleeping cars operate on long distance trains west of Chicago and New Orleans, on the *Capitol Limited*, and on *Auto Train*. The upper level features five large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a wash basin, and an enclosed toilet and shower; and ten Roomettes with upper and lower beds that become two facing seats during the day (public washrooms and shower are elsewhere in the car). The lower level features four more Roomettes, a Family Bedroom with beds for both adults and children (public washrooms and shower for both are down the hall), and an Accessible Bedroom with two Roomette-type beds, a toilet, and a wash basin, and ample space for a wheelchair. The Roomettes have limited room for storing baggage but there is additional storage on the lower level of the car.

Viewliner Sleeping cars: Viewliner Sleeping cars operate on most eastern long-distance trains. These cars feature two large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a wash basin, and an enclosed toilet and shower. A third Bedroom is accessible to passengers who use wheelchairs. The car also includes twelve Roomettes with upper and lower beds, each with its own window, that become two facing seats during the day, and a non-enclosed toilet and wash basin. A public shower is at the end of the car. Viewliner Roomettes have very limited room for storing baggage, and passengers are encouraged to pack a small overnight bag and check larger bags to their destination.

SERVICES ON TRAINS

The schedule portion of this timetable indicates the services available on any particular train.

Dining cars ✂

Dining cars offer full meal service – breakfast, lunch, and dinner – in a restaurant setting. Full course meals, including a vegetarian selection, are offered, and kosher and vegan meals can be requested with a minimum of 72 hours notice by calling 1-800-USA-RAIL. A variety of beverages – coffee, tea, milk, soft drinks, beer, and wine – are available. Meals and beverages in the Dining car (except alcohol) are included in the price of a Sleeping car ticket; coach passengers may purchase meals at menu prices. The hours of operation vary depending on the train’s schedule.

Lounge cars ☕

Lounge cars operate on long distance trains, with table and casual seating, and offer a variety of sandwiches, snacks and beverages, including liquor, wine and beer. On Superliner trains, panoramic windows on the upper level afford an expansive view of the passing scenery. Food service is normally available from early morning until late evening, except during a few short periods as announced by the attendant.

Café cars ☕

Café cars operate on most corridor trains, with table seating, and a variety of carry-out food and beverage items, including liquor, wine and beer. Enhanced menu items are offered on *Acela Express* Café cars. Food service is normally available throughout the journey until nearing the final destination of the train.

Quiet Car 🗣

Most Northeast Corridor, *Keystone Service*, *Hiawatha Service* and selected *Capitol Corridor* trains have a Quiet Car, where the use of cellular phones is not allowed, nor the use of devices that emit sound audible to others, and where passengers are asked to speak only in subdued tones. This car provides a quiet atmosphere for those who want to work, read or rest without distractions. Seating is first-come, first-served and cannot be reserved specifically. The train crew can direct you to the Quiet Car as you board.

On board entertainment 🎬

Recently-released movies are offered in *Auto Train* lounge cars. They are also shown on the *Coast Starlight* in the Pacific Parlour Car for Sleeping car passengers. Headphones are not required.

Seasonal presentations and on board commentary are offered on a number of trains by volunteer Rangers of the National Park Service through the Amtrak Trails and Rails program. The California State Railroad Museum gives seasonal presentations on the *California Zephyr* between Sacramento and Reno, and volunteers provide information about North Carolina points of interest on the *Carolinian* and *Piedmont*.

SERVICES AT STATIONS

Amtrak has more than 550 train stations and several hundred more Thruway bus stops. More than 200 stations are staffed; some unstaffed stations offer a waiting room and restrooms, but some offer a platform only. Most Thruway locations not at stations are curbside stops. Contact Amtrak or visit Amtrak.com for details about facilities at any given station.

Ticket offices ●●○

●: Amtrak Staffed Location: This location has an enclosed waiting room with a full-service Amtrak ticket office that is staffed by an Amtrak or VIA Rail Canada employee. Checked baggage service, assistance with baggage, and/or assistance to passengers with disabilities may also be available. The station may not be staffed for all departures.

○: Attended Location: This location has an enclosed waiting room within a station building. An attendant, who is not an Amtrak employee, provides limited service to passengers. There is no ticket office, and checked baggage service, assistance with baggage, and assistance to passengers with disabilities is not available. An Amtrak Quik-Trak ticketing kiosk may be available.

○: Unstaffed location: This location may have an enclosed waiting room which is opened by a caretaker or a time lock at train time, a platform with a shelter, a platform only, or may be an Amtrak Thruway curbside bus stop. There is no ticket office, no checked baggage, and no passenger assistance of any type available.

Quik-Trak self-serve ticketing kiosks QT

Quik-Trak self-serve ticketing kiosks are available at many stations, including some unstaffed stations, to help you avoid long ticket lines and obtain your tickets quickly. To access the kiosk, use your credit card (MasterCard, Visa, American Express, Discover or UATP). At the kiosk, you may make and pay for a new

Café

Dining car

Café/Lounge

reservation (except Sleeping car or Auto Train) from the station where the kiosk is located to any destination shown on the kiosk, and obtain your eTicket documents. If you have already made your reservation but have not yet paid, you may pay and obtain your eTicket documents at the kiosk. If you have already made and paid for your reservation, and have printed your eTickets elsewhere, you do not need to obtain them again at Quik-Trak unless you have changed your reservation since you printed them, or you need to reprint them for any reason. You also do not need to print your eTicket documents at Quik-Trak if you are able to display your eTicket on your smartphone.

In a very few cases your reservation may require paper value tickets instead of eTicket documents, such as if your reservation includes a non-eTicket Thruway service, or the Canadian portion of the *Maple Leaf* train. If so you may obtain those tickets at Quik-Trak by waving the bar code on your confirmation page at the bar code reader located just below the keypad, by inserting your credit card (if your paper value ticket reservation was already paid with the card you inserted, it will automatically display).

When you make your reservation on Amtrak.com or through a contact center agent, you will be told if a Quik-Trak kiosk is available at your boarding station. If you need to use the kiosk please arrive at the station at least 30 minutes before departure.

Metrolink ticket vending machines

Metrolink ticket vending machines are available at Metrolink and many Amtrak stations in southern California. You may obtain tickets for prepaid reservations to any station. You may also pay for and obtain tickets for reservations not already paid, or make and pay for a new Coach reservation, to any Amtrak station within the state of California. Discount and promotional fares require advance reservations. You may also obtain Metrolink commuter train tickets. Metrolink ticket vending machines accept cash and credit cards. You will be notified at Amtrak.com or by a call center agent if a Metrolink ticket vending machine is available at your boarding station.

Passenger assistance

If you need assistance with baggage, with moving through the station using a station-provided wheelchair or people mover, etc., please let us know as far in advance as possible. This service is available at most staffed stations. At major stations, uniformed Red Caps are available to help you. All baggage handled by

Red Caps is protected by a claim check. Please do not accept assistance from anyone other than a uniformed Amtrak or VIA Rail Canada employee. A number of other stations have self-service baggage carts available for a nominal charge. Please arrive at your departure station at least 45 minutes before departure if you require assistance. Allow an hour at major stations such as New York, Washington, Chicago, and Los Angeles.

Babies and toddlers

Long-distance trains operated with Superliner equipment have changing tables in the restrooms for your convenience. We are unable to store baby formula in our refrigerators or warm a baby bottle using our equipment, but bring your container and upon request we can supply you with ice or hot water. Mothers who breast feed their infants are always welcome.

Station accessibility

Station accessibility is shown by the following symbols in the individual schedules within this timetable.

 All available station facilities are accessible to passengers using wheelchairs, and there are no barriers to access between the station, the train platform, and any of the trains in that particular schedule.

 There are no barriers to access between the station, the train platform, and any of the trains in that particular schedule, but some of the facilities within the station are not accessible.

If neither of these symbols appears in a given schedule, there may be barriers to access between the station, the train platform, and the trains in that schedule. Contact Amtrak at 1-800-USA-RAIL for more information.

Station lounges

Amtrak offers several types of private lounges for Acela Express First class passengers, Sleeping car passengers, Business class passengers on certain routes, and current Amtrak Guest Rewards Select Plus and Select Executive members. For access, present your same-day ticket (departing), ticket receipt (arriving) or your Amtrak Guest Rewards Select Plus or Select Executive membership card. United Airlines United ClubSM members with a valid membership card are welcome at all ClubAcela lounges.

ClubAcela is offered at Washington Union Station, Philadelphia 30th St. Station, New York Pennsylvania Station and Boston South Station. ClubAcela provides a quiet, refined atmosphere where passengers may wait for their trains or unwind after detraining. ClubAcela features comfortable seating, complimentary

non-alcoholic beverages and snacks, Internet terminals, free local phone calls, fax service, newspapers and periodicals, and television, as well as attendants who can assist you with reservation and ticketing needs.

Amtrak Metropolitan Lounges are available at Portland (Oregon), Los Angeles and Chicago Union Stations. Similar to ClubAcela, these lounges are available to Sleeping car passengers, Business Class passengers and Amtrak Guest Rewards Select Plus and Select Executive members.

Unattended, separate Sleeping car passenger and Amtrak Guest Rewards Select Plus and Select Executive waiting rooms are available at St. Paul/Minneapolis, St. Louis, New Orleans and Raleigh. Features and amenities vary.

PLANNING YOUR JOURNEY

Amtrak.com

Amtrak.com is your complete full service rail travel site on the Internet, providing you with everything you need to explore your travel options, plan your trip, pay for your tickets, and arrange for hotel rooms, rental cars and more. You can reserve coach travel, upgrade to *Acela Express*, Business class or Sleeping car, and take a three-dimensional virtual tour of our Sleeping car accommodations. Amtrak.com also features a complete Spanish-language version at espanol.amtrak.com, a complete German-language version at deutsch.amtrak.com and a complete French-language version at francais.amtrak.com. You can connect to the mobile website at m.amtrak.com.

Fares

Amtrak offers a variety of fares. On reserved trains, a range of fares may apply based on passenger demand for a particular train. On unreserved trains, fares may be higher during peak travel periods. Amtrak will quote and price your travel at the lowest fare available at the time you make your reservation. Go to Amtrak.com to view the various fare options grouped by common refund rules and restrictions. Changes to your itinerary will cause your reservation to reprice at the lowest fare available at the time you make the change, which may be higher than the fare initially obtained. Some fares may require advance reservation and/or purchase, and be non-refundable. Amtrak offers discounts to members of certain associations; advance reservation is required. Please see pages 120-121 for details.

Please make payment before you board the train: at a ticket office, over the phone with a contact center agent using your credit card, at Amtrak.com, or by using the Amtrak app for iPhone, Android or Windows Phone. You will be charged the highest fare for your journey if you pay the conductor on the train, even if your reservation was for a lower fare, and even if there is no ticket office at your boarding location.

Reservations

Reservations are required for all *Acela Express*, Sleeping car, accessible accommodation, Business class, and most coach travel. Reservations are also required for all passengers requiring assistance, including unaccompanied minors, even if the train is otherwise unreserved. *Acela Express*, Business class and coach bookings reserve space on the train but not any particular seat. If not paid immediately, a date will be given, no more than seven days after booking, for paying your reservation; if it is not paid by that date, it will automatically cancel early the next morning.

You may also make and pay for a reservation for another person. Contact Amtrak for details.

You may obtain fare and schedule information, and make your reservation, in a number of ways.

- Amtrak.com: make your reservation on the Amtrak full service rail travel site, using your personal computer or your web-enabled smartphone or tablet device. Payment by credit card is required at the time of booking.
- Julie (🗣️): the Amtrak interactive automated customer agent, available by calling 1-800-USA-RAIL, can give you 24-hour fare and schedule information, provide the operating status of a train, and make simple reservations. She can also accept payment by credit card. If you know the answer to a question she is asking before she finishes it, you can interrupt her with the answer, and if you need assistance from a live agent such as modifying a reservation, reserving Sleeping car space, traveling on *Auto Train* or requesting special assistance on the train or at the station, you can bypass Julie by saying "agent" or pressing zero.
- Contact center agents: available by calling 1-800-USA-RAIL, are also available 24 hours a day. They can make any kind of reservation, accept payment by credit card, give you complete information about services, amenities and features, assist

you with any special needs, and refer you to our partners for hotel and rental car reservations. A fee may apply to bookings made through a contact center agent, if the booking could have been made through a self-service channel (Amtrak.com, Julie, or Quik-Trak).

- Quik-Trak self-serve ticketing kiosks can make *Acela Express*, *Coach*, or *Business* class reservations from the station where the kiosk is located to any destination shown on the kiosk.
- Ticket agents at stations can make reservations; if your itinerary is lengthy or in the future, you should use Amtrak.com or contact us at 1-800-USA-RAIL to make your booking. This will greatly shorten your time at the ticket window.

When making your reservation, please include a telephone number where you can be reached both before and during your journey, in the event we need to notify you of any service changes. A cell phone number is the best way to reach you, especially if you have started travel.

eTicketing

All Amtrak trains and many Amtrak Thruway services are eTicket available. If all of the trains and buses in your reservation are eTicket eligible, you will not receive paper value tickets (individual tickets with a dollar value), but instead will use an eTicket containing a bar code that can be scanned on the train by the conductor. One eTicket will cover all travel segments within the reservation. When you book on Amtrak.com or by calling 1-800-USA-RAIL, and provide an email address, the eTicket is sent to you as an attachment to the confirmation email. You can print that eTicket on a home, work or other printer, or you

can obtain it from a ticket agent or a Quik-Trak kiosk, if either is available at your boarding station. The eTicket can also be displayed on your smartphone or tablet, either as an attachment to an email message, or through the Amtrak iPhone, Android or Windows phone app. On the iPhone, you can also display your eTicket using the Passbook app. The eTicket document is not available by mail.

For reserved services, your eTicket is only valid on the train and date and between the cities for which it was reserved. If you board a train other than that which is on your eTicket, you will be asked to call Amtrak at 1-800-USA-RAIL and change your reservation to the train you are riding (and pay any difference in fare), or pay the full fare to the conductor. You may not use your eTicket on any train other than that for which it is reserved unless you change your reservation. For unreserved coach service, your eTicket will be honored on any train for which the fare paid is valid, between the cities ticketed.

Passengers using eTickets do not have to worry about how to obtain paper value tickets when boarding at unstaffed stations, even if a booking is made at the last minute, nor will they have to worry about losing tickets. The eTicket has no intrinsic value, so if it is lost or misplaced, simply print another; it will only be honored once, and only on the train for which it was issued.

If a change has to be made to an eTicketed reservation, contact Amtrak at 1-800-USA-RAIL, or, in some cases, make the change on Amtrak.com, before the original train you booked has departed. The reservation will be changed and any fare difference collected or refunded (subject to rules that apply to the fare paid). You are then good to ride on the new train. We recommend that a new eTicket be printed before boarding, and in some cases a station agent will want to inspect the eTicket to make sure you are boarding the correct train, but the conductor on the new train will know you are coming.

If you fail to board a train you have reserved, your entire reservation will cancel, including all future segments, once that train has departed your boarding station.

The monetary value of the reservation, less any amounts imposed for failure to cancel, will be converted into an eVoucher which may be applied at a station toward future travel. In some cases, part or all of the amount may be refundable through *Amtrak Refunds* (not at a station), depending on the rules that apply to the fare paid. Contact Amtrak at 1-800-USA-RAIL and ask for the *Amtrak Refunds*. The eTicket you printed will not be valid on any other train and you will need to contact Amtrak to make and pay for a new reservation.

eTickets are clearly marked as such, and you may board the train with them except *Auto Train* (see below). If your printed document does not indicate that it is an eTicket, it is only a confirmation document, obtained after booking on Amtrak.com or in an email. You need to obtain paper value tickets first, before boarding the train. These are available from the ticket office, a Quik-Trak kiosk, or in some cases by mail or from the conductor on the train. Amtrak.com or a call center agent will tell you what your options are for obtaining paper value tickets.

Auto Train is also using a version of eTicketing where paper value tickets are not required but passengers check in at the ticket counter, rather than on the train.

If one or more segments in your itinerary are not eTicket eligible, you will receive paper value tickets for your entire itinerary, including for trains or Thruway services that would otherwise be eTicket eligible. Please see "Obtaining your paper value tickets" on page 129.

Wherever you travel, your ride is just a barcode away.

Connections

Amtrak offers connections between many trains, and between trains and Thruway services. These connections are valid if they are shown in the Amtrak reservation system. Some are also displayed in this timetable. Connections not shown in the reservation system or in this timetable are normally not valid, including connections between Amtrak and any other carrier; if you intend to attempt such a connection, you are responsible for all expenses if the connection is missed. If a valid connection is missed due to a late arriving train or other reason beyond your control, Amtrak will protect you by providing alternate transportation on another Amtrak train or on the services of another carrier, or by providing lodging or other services until you can resume travel. In some cases this may be done by transferring you at a station other than the normal connection point. Contact Amtrak for more information about connections.

DUPLICATE AND IMPOSSIBLE BOOKINGS

Duplicate and impossible Amtrak bookings are prohibited. Duplicate bookings include, but are not limited to, reservations on multiple trains by the same passenger on the same day between the same or similar cities on one or more itineraries, such as booking the 4:00 p.m., 5:00 p.m. and 6:00 p.m. *Acela Express* trains between New York and Philadelphia. Impossible bookings are reservations on trains for which it is impossible for the passenger to travel on both or all, such as a bedroom Seattle-Chicago on two consecutive days, or two separate reservation records between which a connection is not possible. Amtrak reserves the right to analyze its reservation system to find such bookings and will attempt to contact the passenger in advance to determine which one will be used; if unable to contact the passenger, Amtrak will retain the last reservation booked and cancel the others, whether or not paid for. Refunds for such cancellations will be determined by the refund rules that apply to the fare paid.

OBTAINING YOUR PAPER VALUE TICKETS

If eTicketing is not yet enabled for the train or other service you are using, you need to obtain paper value tickets before the train leaves the station from which you booked your first departure. If this is not done, the entire reservation will cancel once that train has departed, even if the reservation has been paid.

There are several ways to obtain paper value tickets, and these will be described on your confirmation display or by the contact center agent. The confirmation display, which may be printed from your computer or from an email attachment that will be sent to you if you provide an email address, is not a “boarding pass” or eTicket, and will not be honored on trains. Unless you have a document clearly identified as an “eTicket”, you must obtain paper value tickets before boarding the train or, for Auto Train, you must check in at the ticket counter before boarding. If this is not done the conductor will collect a fare for your journey, even if you have already paid, and the reservation will cancel.

If you have paid for your reservation, you may cancel it and obtain a refund online (if you booked at Amtrak.com) or by calling 1-800-USA-RAIL. If paper value tickets have been printed, those tickets must be returned to Amtrak to obtain a refund. The refundability of the reservation or tickets is governed by the rules applying to the fare paid.

Quik-Trak self serve ticketing kiosks: Many stations have Quik-Trak kiosks. Print the confirmation page that will be displayed to you when your booking is completed, and you can take that

page to any Quik-Trak kiosk, scan it, and immediately obtain your tickets. You can also obtain your tickets by entering your reservation number.

Station ticket offices: Many stations have ticket agents on duty who can issue your tickets, whether or not they have been previously paid. Please see “Services at stations”, on page 125.

Mail: If your boarding station does not have ticketing services available at the time of your departure, Amtrak will be happy to mail your tickets to you, provided you are departing at least nine days from the day you make your reservation, and pay for your tickets by credit card at the time you make your reservation. We can mail your tickets to any address in the United States or Canada, except to APO and FPO addresses.

Express delivery: If you are departing within nine days of the day you make your reservation, but at least three days before, or if your boarding station has ticketing services available at the time of your departure but you want them sent anyway, we can send your tickets by FedEx®. There is a \$15.00 charge. The tickets and this charge must be paid by credit card at the time you make your reservation. An adult must normally be available at the delivery address to sign for the tickets.

Travel agents: Many travel agents make Amtrak reservations and issue tickets. Some may charge a fee for this service.

On the train: If there is not enough time to send your tickets, and your boarding station does not have ticketing services available, you may pay the conductor on the train, but you will be charged the highest rail fare for that train segment, even if a lower fare is in the reservation. That higher fare may not be credited toward the rest of the reservation when you pay for and pick up those tickets at the connecting staffed station; you will pay separately for those tickets. Cash and credit cards are accepted, and a receipt is issued for all fares paid on trains. If your boarding station has a ticket office that is open at the time of your departure, but you board the train without a ticket, the fare charged by the conductor will be higher; this additional amount is not refundable. (Please note that your Amtrak.com confirmation page is not a ticket and will not be honored on the train. Some trains and stations do not allow you to board without a ticket or pay on the train.) In all cases identification must be presented to the conductor when paying fares or obtaining tickets on the train. If your boarding station is a flagstop, as indicated by this symbol , see page 123.

Upgrades to Business class, *Acela Express* First class, or Sleeping car service may be purchased on the train if unsold space is still available. Contact the conductor.

Thruway service: Certain Thruway services require a paper value ticket to give to the bus driver when boarding. If your journey starts on one of these services, there is no Amtrak ticket office where you are boarding, and there is not enough time to mail your tickets to you, you will need to make separate arrangements with the bus company for booking and ticketing the bus portion of your travel. Amtrak will reserve the rest of your itinerary.

FORMS OF PAYMENT ACCEPTED BY AMTRAK

Cash: Amtrak accepts US paper money and coin at all stations and on trains for payment of fares and food and beverage services. Canadian paper money (no Canadian coins) is accepted on trains that serve Canada directly, and at stations served by those trains. Canadian coins are only accepted on the *Maple Leaf* between Toronto and Niagara Falls, Ontario, as this is actually a

VIA Rail Canada train between those points.

Credit cards: Amtrak accepts MasterCard, Visa, American Express and Discover at all Amtrak ticket offices in the United States and Canada, at Quik-Trak kiosks, at Amtrak.com, by telephone at 1-800-USA-RAIL, and on trains for payment of fares and food and beverage services. The UATP (Universal Air Travel Plan) is accepted at all ticket offices in the United States only, at Quik-Trak kiosks, at Amtrak.com, and by telephone at 1-800-USA-RAIL, but not on trains. Amtrak requires that credit cards be signed and that the signature on the ticket matches the signature on the card.

Debit cards with a credit card logo (“check cards”): These are accepted in the same manner as credit cards. Debit cards requiring a PIN are not accepted.

Gift cards and other prepaid cards with a credit card logo: These are accepted only when the transaction can be electronically validated: at station ticket offices, at Quik-Trak kiosks, at Amtrak.com, by phone at 1-800-USA-RAIL, and on trains for payment of fares and food purchases when the conductor or food services attendant has an operating credit card validation device. They are not accepted where the transaction cannot be electronically validated. Refunds are made back to the gift card, so be sure not to dispose of it once you have used up its value until you are certain that you will not return anything that you have paid with it.

Travelers cheques, money orders, and cashier’s checks: Amtrak no longer accepts travelers cheques or money orders. Amtrak accepts cashier’s checks issued by local banks by prior arrangement for payment of group reservations only. The cashier’s check must be payable to Amtrak, and the maximum amount of change given is \$20.00. Refunds are not given at stations but will be mailed by the Philadelphia refunds office.

Personal checks: Amtrak does not accept personal checks, except by prior arrangement for group travel. Contact the Amtrak Group Department for details.

Company and government checks: Amtrak accepts U.S. dollar checks from known companies and from government agencies. You must show both personal identification and identification proving that you are an employee of the company or government agency.

REFUNDS

Basic Policy: Subject to the conditions below, if a passenger does not take the entire trip paid for, the remaining ticket value is calculated by subtracting the fare for any travel already taken from the total amount paid. The fare for travel already taken is the fare the passenger would have paid for that travel had that been the only travel purchased. The word “ticket” is understood to mean both an eTicket (electronic ticket) and a paper value ticket. The refund policy applies as soon as payment is made, whether or not any ticket is printed, and applies to both rail fare and any accommodation charge. The Amtrak refund policy is subject to change at any time.

Refund fee: Where applicable, refund fee is 10% of the total amount refunded, with a minimum amount of \$5.00 and a maximum amount of \$100.00 per refund transaction.

Refund rules for each fare type:

- **Sleeping car travel:** If cancelled 15 or more days before travel, refund fee applies. If cancelled 14 days or fewer before

travel, but before departure, ticket is not refundable but the value may be applied within one year toward future travel. If not cancelled before departure (“no show”), entire amount is forfeited.

- **Acela Express First class and non-Acela Business class:** If cancelled before train departure, full refund without refund fee. If not cancelled before departure (“no show”), ticket is refundable, refund fee applies.
- **Reserved coach and Acela Express Business class:** If cancelled more than 24 hours before departure, full refund without refund fee. If cancelled less than 24 hours before departure, but before departure, a refund fee applies. For most fares, if not cancelled before departure (“no show”), the entire amount is forfeited.
- **Advance booking/purchase fare:** Refunds are based on the rules applied to a particular fare. Some advance booking/purchase fares (such as Saver fares) are not refundable. If canceled, the ticket value may be saved as credit in a non refundable eVoucher that can be used for future Amtrak travel. If not cancelled before departure (“no show”), the entire amount is forfeited.
- **Unreserved coach:** Refund fee applies.

Multiride tickets: Unlimited monthly tickets are refundable if returned unused for refund before month begins, refund fee applies. If returned on days 1-10 of the valid month or if used prior to the beginning of the month, 50% of the value is refundable and refund fee applies. If returned on day 11 or later, no refund or exchange credit. Multiride tickets good for a fixed number of rides are refundable if the ticket is wholly unused. If one or more rides have been taken, no refund or exchange credit. Refund fee applies to all multiride refunds. Refunds may be restricted if the multiride ticket was paid with a tax-free transit subsidy.

Tickets sold by Amtrak for other carriers such as MARC: The refund policy of the carrier applies.

Vehicles (automobile, motorcycle, bicycle) and carry-on fees (golf bags, etc.): The refund policy is that of the passenger ticket with which the vehicle or carry-on fee ticket is associated. Example: Sleeping car and automobile on Auto Train. The Sleeping car refund policy also applies to the automobile ticket.

Boarding train late or leaving train early, or downgrading on the train: No refund or exchange credit is given if a passenger boards a train at a station beyond, or detrains at a station before, the station from or to which he or she was reserved, or if the passenger downgrades accommodations on the train. To receive a fare adjustment the passenger must change the reservation before the train departs the original boarding station of that train. This restriction will not apply if there is a service disruption.

Refund restrictions and late trains: The above restrictions and fees will not apply to refunds requested by passengers if the train is two hours or more late (long distance trains) or one hour or more late (corridor trains) at the departure station.

Time Limits: An Amtrak ticket becomes non-refundable, not valid for carriage and has no exchange value, after one year from the date payment was made for that ticket (or other period if so indicated on the ticket). An eVoucher or other exchange credit is valid for one year from date of issue.

Where to Obtain Refunds: Refunds of eTickets may be processed at ticket offices, by calling 1-800-USA-RAIL, or through *Amtrak Refunds* (see below). If paper value tickets were printed, they must be returned for any refund. Stations do not keep large amounts of cash on hand and refunds of eTickets or paper value paid by cash may have to be sent to Amtrak Refunds which will

send a refund check. Paper value tickets purchased from a travel agency must be returned to that agency except when there is a service disruption.

Mail Refund Requests: Send to *Amtrak Refunds*, Box 70, 30th St. Station, 2955 Market Street, Philadelphia, PA 19104-2898.

BAGGAGE

Due to limited available space on trains, baggage restrictions are strictly enforced. For passengers' safety and security, Amtrak reserves the right to deny transport or charge fees for items exceeding policy limitations.

Carry-On Baggage

Carry-on baggage is limited to two pieces per ticketed passenger. The maximum weight per piece is 50 lbs. (23 kg) and the maximum size is 28" x 22" x 14" (700 x 550 x 350 mm), except on *Pacific Surfliner* trains where due to the size of the overhead bins the size is 28" x 22" x 11" (700 x 550 x 280 mm).

Infant Items: passengers traveling with infants under the age of two are permitted additional infant items (strollers, diaper bags) which are not counted against the two-item carry-on baggage limit.

- All items must contain an ID tag – free tags are available at the station.
- Contents must be necessary for wear, use, comfort, or convenience of the passenger for the purpose of the trip; items being transported for business or resident relocation not accepted.

- Cardboard boxes in checked baggage must have handles and be adequate for shipping; Amtrak shipping boxes are available for sale at most staffed locations.

Baggage on Thruway Services

The carry-on and checked baggage policies for Amtrak Thruway services of the 7000 and 8000 number series are determined by the operating carrier and may vary from those of Amtrak. For example, Greyhound allows one piece of checked baggage free but charges a fee for the second, and allows only one small item to be carried on the bus. Please ask Amtrak or the carrier for details.

Baggage to and from Canada

Baggage to and from Canada, carry-on and checked, must travel on the same train as the passenger. All baggage must be unlocked for inspection by border control officers. All carry-on items including laptop cases and purses must bear a special numbered name tag, provided at stations served by these trains, that matches passengers with their carry-on items.

Claiming Baggage

Checked baggage will be available for claiming generally within 30 minutes of arrival. Always identify your checked baggage by matching your claim check numbers to the tag on your item; Amtrak will collect your claim check when you pick up your baggage. Storage charges apply to baggage not claimed within 24 hours of arrival.

Firearms in Checked Baggage

Amtrak accepts reservations of firearms and ammunition for carriage between Amtrak stations and on Amtrak trains within the United States that offer checked baggage service. Thruway Bus Services are not included in this service change. The following policies are in effect:

- Notification that the passenger will be checking firearms/ammunition must be made no later than 24 hours before train departure by calling Amtrak at 1-800-USA-RAIL. Online reservations for firearms/ammunition are not accepted.
- The passengers must travel on the same train that is transporting the checked firearms and/or ammunition.
- All firearms and/or ammunition must be checked at least 30 minutes prior to scheduled train departure. Some larger stations require that baggage be checked earlier. Please contact your departure station for more details.
- All firearms (rifles, shotguns, handguns, starter pistols) must be unloaded and in an approved*, locked hard-sided container

TRAVEL INFORMATION

not exceeding 62" x 17" x 7" (1575 x 432 x 178 mm). The passenger must have sole possession of the key or the combination for the lock to the container. The weight of the container may not exceed 50 lbs. (23 kg).

- Smaller locked, hard-sided containers containing smaller unloaded firearms such as handguns and starter pistols must be securely stored within a suitcase or other item of checked baggage, but the existence of such a firearm must be declared.
- All ammunition carried must be securely packed in the original manufacturer's container; in fiber, wood, or metal boxes; or in other packaging specifically designed to carry small amounts of ammunition. The maximum weight of all ammunition and containers may not exceed 11 lbs. (5 kg).
- The passenger is responsible for knowing and following all federal, state, and local firearm laws at all jurisdictions to and through which he or she will be travelling.
- All other Amtrak checked baggage policies apply, including limits on the number of pieces of checked baggage, the maximum weight of each piece may not exceed 50 lbs. (23 kg).
- Firearms/ammunition may not be carried in carry-on baggage; therefore, checked baggage must be available on all trains and at all stations in the passenger's itinerary.
- At the time of check-in, passengers will be required to complete and sign a two-part Declaration Form.
- BB guns and Compressed Air Guns (to include paintball markers), will be treated as firearms and must comply with the above firearms policy. Canisters, tanks, or other devices containing propellants must be emptied prior to checking and securely packaged within the contents of the passenger's luggage.

Passengers failing to meet the above-mentioned requirements for checking firearms will be denied transportation.

Prohibited items

The prohibited items list is not an exhaustive list. Any item that is similar to the prohibited items in the table to the right, even if not specifically mentioned, is also prohibited. Amtrak personnel may determine if an item not mentioned in this list is prohibited.

Limitation of Liability

For carry-on baggage, Amtrak disclaims all liability for carry-on baggage, to include special items, even if Amtrak personnel has handled or assisted in loading or unloading the baggage. For checked baggage, Amtrak disclaims all liability for, missing or stolen items inside unlocked or unsecured baggage, minor damages to baggage considered normal wear and tear (despite reasonable care when handling), baggage which was transported without travel of the owner of the items via Amtrak or payment of the applicable storage charges, or loss or damage to prohibited items, and baggage containing prohibited items. For Checked Baggage, Amtrak liability is limited to a maximum of \$500 per ticketed passenger, unless a passenger has declared additional value, up to \$2,500 to include the liability which Amtrak covers and has paid the applicable charges. For special items, including bicycles, Amtrak disclaims liability for special items carried onboard or bicycles accepted in the baggage area not packed in a bicycle box.

Claims for Checked Baggage

Claims for damaged baggage or stolen items must be reported at the location where the baggage is claimed, before the passenger leaves the station. Claims for lost checked baggage must be submitted within 30 days of the date of the incident to the Office of Customer Relations (Attn: Baggage Claims, Amtrak, 60

Amtrak Express

Amtrak offers small package shipping services to more than 100 cities.

Small package shipments: The maximum weight per piece is 50 lbs. (23 kg), and the maximum size is 36" x 36" x 36" (900 x

900 x 900 mm), with a limit of 500 lbs. (227 kg) per shipment. Bicycles in Amtrak bicycle boxes or other approved containers, and surfboards properly wrapped or boxed, are exempt from the size limit (but not the weight limit).

Heavy and commercial shipments: This service is available at a number of larger stations. The maximum weight per piece is 100 lbs. (45 kg), and the maximum size is 48" x 48" x 48" (1.2 x 1.2 x 1.2 m), with a limit of 500 lbs. (227 kg) per shipment. Items greater than 50 lbs. (23 kg) must be on a pallet; the pallet can weigh as much as 500 lbs. (227 kg).

Mortuary services (human remains): Amtrak Express offers station-to-station shipment of human remains to many express cities. At most stations, funeral directors must load and unload the shipment onto and off the train. Certain trains, even though they handle checked baggage, cannot handle human remains due to the type of equipment operated. New York (Pennsylvania Station) does not originate express shipments (please use the Amtrak station at Newark, New Jersey), but will accept shipments from other stations.

For more information about rates, transit times and acceptable items, call the Amtrak Express desk at 1-800-377-6914, Mondays through Fridays, 8:30 a.m. - 8:00 p.m. Eastern time.

SECURITY

Security measures

Amtrak uses a range of behind-the-scenes and front-line security measures to improve passenger rail security, some of which are conducted on an unpredictable or random basis. These include uniformed police officers and K-9 units in stations and on trains, Mobile Security Teams, checked baggage screening, on board screening, security cameras and deployment of state-of-the-art security technology.

Randomly selected passenger baggage, handbags, backpacks and other personal items may be screened or inspected. The inspection will be completed as quickly as possible – usually in less than a minute – in a manner designed to respect passengers' privacy as much as possible. Passengers who decline to consent to security procedures will be denied access to trains and refused carriage, and a refund will be offered.

In compliance with Transportation Security Administration directives, passengers 18 and over may be randomly asked by conductors to produce acceptable identification, even if they have previously done so when purchasing tickets. The random identification checks are based on a passenger's ticket number.

For your safety and security, be aware of your surroundings. Keep your personal items secure and in close proximity, and do not approach police dogs. Report any suspicious activity or unattended items to a train or station employee, to an Amtrak Police officer, or by calling the Amtrak Police at 1-800-331-0008.

Identification

Passengers 16 years of age or older must present acceptable identification when purchasing tickets, checking baggage, sending Amtrak Express shipments, and on board trains when paying fares or if otherwise requested.

Acceptable identification includes a driver's license, passport, government agency ID card, and other specific forms of identification. All identification must be current and valid. Contact Amtrak for specific details, including requirements for passengers 16-17 years old who do not have their own identification.

Photography and video recording

Photography and video recording by the general public from publicly accessible property and public areas of stations is allowed. Commercial and special photography requires explicit authorization from Amtrak. Ticketed passengers may photograph on station platforms while boarding or alighting from trains. Other photography from Amtrak-owned station platforms requires permission from a station manager or designee. Generally, on board photography is permitted by ticketed passengers but must not interfere with train operations or safety and is subject to directions from the train crew. Suspicious activity can result in inquiries by Amtrak Police or other security personnel. Photography is prohibited in areas restricted to the public by signage, physical barrier, etc. The above language is excerpted from the Amtrak Guidelines on Photography and Video Recording. Complete guidelines can be found on Amtrak.com or by calling 1-800-USA-RAIL.

Animals

Trained service animals that assist passengers with disabilities are the only animals permitted on Amtrak trains, and must be kept under your control at all times. You are responsible for the care and feeding of your animal during the journey. Amtrak does not accept so-called "comfort animals" and if there is doubt, you may be asked to identify what service the animal is trained to provide for you.

Boarding times

It is strongly recommended that you arrive at your boarding station at least 30 minutes before departure. Arrive at least 45 minutes before departure (one hour at major stations such as New York, Washington, Chicago and Los Angeles) if you need ticketing, baggage or passenger assistance services from a station employee. You should confirm boarding times the day before travel in case there has been a schedule or service change for which we were unable to notify you. At some stations it may be necessary to stop ticketing or close the gates as much as ten minutes before departure so that you can board your train safely, or because the agent has to take baggage or passengers to the train. If a train is running late, we will attempt to make up some of the delay by shortening the time the train is in the station to less than that which is shown in the timetable.

Auto Train boarding

Plan your driving to arrive at the *Auto Train* Terminal as early as possible. *Auto Train* begins accepting vehicles each day at 11:30 a.m. Motorcycles must arrive by 2:00 p.m.; Priority Offload Vehicles must arrive by 2:30 p.m.; no vehicle will be accepted

after 3:00 p.m. Those arriving after the 3:00 p.m. cutoff will need to rebook travel for another day, based on availability. Please refer to page 55 of this timetable for more details.

Canadian cross-border travel

Documentation required:

If you are crossing the border by land or sea, including on Amtrak trains and Thruway services, you must have one secure Western Hemisphere Travel Initiative-compliant document that proves both citizenship and identity.

- For United States citizens 16 or over, this document must be one of the following: passport, passport card, trusted traveler card (NEXUS, SENTRI or FAST), enhanced driver's license, merchant mariner document, US military ID with military orders, or form I-872 (American Indian card).
- For Canadian citizens, this document must be one of the following: passport, trusted traveler card, or enhanced driver's licence.
- For citizens of other countries, a passport, and in many cases a visa, are required.
- A passenger 15 and younger who does not have one of the above may present a copy of his or her birth certificate instead.

For further information and to determine what is required for your particular situation (including permanent residents and others not mentioned above), contact the appropriate US or Canadian government agencies prior to travel.

An Amtrak brochure with additional details, "Important Information on Crossing the Border between the United States and Canada", is available. Ask for it from an Amtrak agent.

Other details:

- Passengers under 18 not traveling with both parents require a letter from any parent not present giving permission to cross the border. If one parent is deceased, bringing a copy of the death certificate will minimize questioning and delay at the border. Children under 18 may not cross the US-Canadian border unaccompanied. Exception: A child 16 or 17 may cross the border unaccompanied if he or she is returning to the country of which he or she is a citizen. Example: A 17 year old child who is a citizen of Canada may return to Montreal unaccompanied.
- Amtrak and VIA Rail Canada will require your date of birth, your country of citizenship, and your identification information. This will be entered into your reservation record and provided to border authorities. If you do not provide this information we are unable to accept payment or issue your ticket.
- Admission into either country is solely at the discretion of border authorities, and possession of required documentation and the provision of required information in no way guarantees entry. Neither Amtrak nor VIA Rail Canada nor any other carrier is in any way liable if you are denied entry or removed from the train or bus.

Canadian train travel

Amtrak operates service to Vancouver, BC, Toronto, ON and Montreal, QC, from which VIA Rail Canada operates trains throughout Canada. See page 122 for more information, call VIA Rail Canada at 1-888-VIA-RAIL, or visit www.viarail.ca.

Fall and spring time changes

Amtrak operates according to prevailing local time, either standard time or daylight saving time. At the spring time change (second Sunday in March), Amtrak trains traveling overnight will become one hour late and will attempt to make up the time. At the fall time

change (first Sunday in November), Amtrak trains traveling overnight will normally hold at the next station after the time change then depart on time. Arizona does not observe daylight saving time. Please observe footnotes in schedules for trains serving Arizona to determine your departure or arrival time.

Gift certificates

Gift certificates valid for Amtrak travel are available in amounts of \$50.00, \$100.00, \$250.00, \$500.00 or \$1,000.00 from Amtrak ticket offices, by phoning 1-800-USA-RAIL, or through Amtrak.com. You may purchase gift certificates in other amounts, up to \$5,000.00, by going to an Amtrak ticket office or phoning 1-800-USA-RAIL.

Lost, stolen or destroyed tickets

If you have paper value tickets (and not eTicket documents), your tickets have value. Please safeguard them as you would cash. Amtrak disclaims liability for lost, stolen, destroyed tickets. In order to travel, you will have to repurchase the tickets. In some cases a lost ticket refund application can be filed; the waiting period is five to six months, and a \$75.00 service charge will be deducted from any amount refunded. No refund will be made if the ticket has been used or honored in any way. Contact Amtrak for details.

Overnight travel

All necessary bedding is provided to Sleeping car passengers. Coach passengers on all services, including *Auto Train*, may wish to bring their own pillow and blanket for additional comfort. Passenger Comfort Kits that include an inflatable neck pillow, blanket, eyeshade and ear plugs may be available for purchase in the Lounge car.

Personal electronic devices

To maintain a pleasant environment for all passengers, Amtrak requires that any personal electronic device (DVD players, laptop computers, handheld game systems, MP3 players and other devices that play video and audio entertainment) not make any sound through speakers or earphones that is audible to others. Please also adjust cellular or smart phones to silent or vibrate setting. In the evening and at night, please make your cellular phone calls from the Lounge car, not the coaches. Many trains, including *Acela Express*, most *Northeast Regional*, *Keystone Service* and *Hiawatha Service* trains, have a Quiet Car, in which loud conversations, the use of cellular phones, and the use of other sound-emitting devices are prohibited.

Personal food and alcohol

You may only consume personal alcohol within your Sleeping car room for which you hold a valid ticket. In all other areas of the train you may only consume alcohol that has been purchased from Amtrak. Amtrak reserves the right to limit or discontinue sales of alcohol to any passenger and will not sell alcohol to anyone under 21 (proof of age may be required).

You may consume personal food and beverages at your seat or within your Sleeping car room. Personal food and beverages may not be consumed in food service cars, except on the upper level of Superliner Sightseer Lounge cars, or in *Acela Express* or *Northeast Regional Café* cars. In all other food service cars only food purchased from Amtrak may be consumed.

Amtrak is unable to heat, refrigerate or store any personal food item or medicine due to FDA regulations. We can supply ice for your small personal container if you need to keep medicine cool. Do not put your medicine in checked baggage or leave it in your vehicle on *Auto Train* as you do not have access to it while enroute.

Rail Passes

Amtrak offers the USA Rail Pass and the California Rail Pass, allowing flexible travel within a certain time period. These passes may be purchased by US and Canadian residents as well as overseas visitors. Please see page 121 for details.

Traveling with a Companion/Attendant

Amtrak does not require that a companion or attendant accompany a passenger with a disability. However, if a passenger anticipates that he or she may need personal care assistance during the trip, such as assistance with feeding, bathing, dressing, medicating or toileting, the passenger must travel with an attendant who can provide such assistance.

Amtrak train crews are not required nor permitted to provide personal care assistance to passengers. Take this into account when making your travel plans. If it becomes apparent during a trip that an unaccompanied passenger requires such assistance, the passenger may have to detrain prior to his or her final destination.

Smoking

Amtrak supports a smoke free environment and does not allow the use of tobacco products, electronic smoking devices or marijuana (including possession even in states where recreational use is legal or permitted medically) onboard trains and inside stations, offices or other designated Amtrak facilities.

Smoking is prohibited in all areas on all Amtrak trains, on all Thruway services, and in all stations. At longer stops on long distance trains, smoking is allowed on station platforms; remain near the train to hear the boarding calls so you are not left behind. These stops may be shortened or eliminated entirely if the train is running late. State or local laws may prohibit platform smoking or require you to remain a certain distance away from train entrances.

Unaccompanied minors

A child under 13 years old may only travel with another passenger 18 years old or more, who has responsibility for him or her.

A child 13 through 15 years old, not accompanied by another passenger 18 years old or more, may travel unaccompanied under the following conditions:

- Must reserve travel by calling 1-800-USA-RAIL or by visiting a staffed Amtrak station.
- Amtrak trains only (no Thruway buses or other services).
- No transfers or connections are permitted, and no travel to or from Canada.
- Travel is allowed between 5:30 a.m. – 9:30 p.m. only.
- Both stations must be staffed at the time of departure or arrival.
- The child must be brought to the departure station, and picked up at the arrival station, by a responsible adult (at least 18 years old), at least one hour before departure.
- The adult bringing the child to the origin station is expected to accompany the child to trainside and remain until the train has departed.
- The child (not the adult) must be interviewed by the station agent or manager to determine his or her ability to travel alone, a notification and release form completed and approved, and an unaccompanied minor wristband fitted to the child's arm (which may not be removed until after the child is picked up). If the child is traveling round trip, this interview must take place

in each direction, even if the child already has a ticket for the return trip.

- Contact Amtrak for updated information, restrictions and conditions.

The Amtrak unaccompanied minor policies are subject to change.
